

Lanark County Buildings Phone Outage

Lanark County buildings (administration, public works and Lanark Lodge) are currently experiencing issues with sending and receiving external telephone calls.

Bell is currently working on resolving the issue with hopes of having the system back up and running within 1-4 hours.

If any communication with individuals within any of these locations is required, email is functioning. Please use your regular email contact information. If this option is not viable and is of an urgent matter please use the following contact method:
