

## **Early Childhood Educator (ECE) Appreciation Day October 25<sup>th</sup>, 2017**

Join Lanark County, today, **October 25<sup>th</sup>, 2017** in celebrating Early Childhood Education Appreciation Day which is designed to honor the provinces dedicated ECE's and to show them our gratitude and appreciation.

Every day, ECE's touch the lives of children, parents, families and communities in significant ways. Lanark County is fortunate and honored to have dynamic and dedicated ECEs that strive for the best and are passionate about working with children and families.

Today is a day to take a moment and thank these amazing men and women for all that they do on a daily basis to make the daycares, nursery schools, before and after school programs and home child care experiences a wonderful learning opportunity for young children.

Each day they demonstrate the importance of early learning and the significance of a child's early year's experiences and its impact. Children are capable and competent and our educators create, develop and foster experiences using play based learning.

Lanark County would like to take this opportunity to sincerely express our thanks to all of the Early Childhood Educators who dedicate their time and talents in supporting our youngest citizens and their families.

Thank an ECE on October 25, 2017  
Enjoy your special day Educators. It is well deserved!
